-------------------	-----------------	-------------------------------------------

PETITIONING THE COURT

To issue a warrant.

Mr. Sicairos-Tamayo has not made himself available for supervision; however, the Court reviewed conditions at the time of sentencing with Mr. Sicairos-Tamayo.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1	Standard Condition # 5: You must report to the probation office in the federal judicial district where you are authorized to reside within 72 hours of release from imprisonment, unless the probation officer tells you to report to a different probation office or within a different time frame.
---	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Supporting Evidence: Mr. Sicairos-Tamayo is considered to be in violation of his term of supervised release by failing to report to United States Probation within 72 hours of release from imprisonment, on or before September 6, 2023.

On September 1, 2023, Mr. Sicairos-Tamayo released from the Bureau of Prisons. Mr. Sicairos-Tamayo has not made any attempts to contact the United States Probation Office since his release. At this time, Mr. Sicairos-Tamayo's whereabouts is unknown.

The U.S. Probation Office respectfully recommends the Court issue a warrant requiring the defendant to appear to answer to the allegation(s) contained in this petition.
